

Yikai Wang

wang28@fas.harvard.edu

Educational Background

- 2006 – present Department of Chemistry and Chemical Biology, Harvard University
PhD candidate, expected June 2011
- 2002 – 2006 College of Chemistry and Molecular Engineering, Peking University
Bachelor of Science, GPA: **3.91/4.0 (1st among 180 students)**
- 1999 – 2002 National Science Experimental Classes, Affiliated High School of Peking University

Research Experiences

- 2006 – present Broad Institute of MIT and Harvard, Harvard University
Working with Prof. Stuart L. Schreiber.
- 2004 – 2006 Key Laboratory of Bioorganic Chemistry, Peking University
Working with Prof. Jiayi Xu..

Publications

- Li, B.; **Wang, Y.**; Du, D. M.; Xu, J. *J. Org. Chem.* **2007**, *72*, 990-997.
Wang, Y.; Liang, Y.; Jiao, L.; Du, D.-M.; Xu, J. *J. Org. Chem.* **2006**, *71*, 6983-6990.
Wang, X.; **Wang, Y.**; Du, D.-M.; Xu, J. *J. Molec. Cat. A: Chem.* **2006**, *255*, 31-35.

Other Experiences

- Teaching fellow in Graduate School of Arts and Sciences, Harvard University
- Participation in 2001 Professor Harry Messel International Science School, Sydney

Honors & Awards

- Eli Lilly Fellowship, 2008
- Teaching Award by Harvard College and Bok Center, 2007
- Tri-A Student in successive three years, 2002~2005
- GE Foundation Scholarship, 2005
- Outstanding Director of Student Organizations, 2003

Membership & Affiliations

- Treasurer of Harvard CSSA, 2007-2008
- The head of the academic division of the Departmental Student Union
- Member of the China Center for Economic Research Club

Interests & Skills

- Grade 7 Certificate for Accordion Performance conferred by the Music Examination Committee of the Chinese Musicians' Association
- Chinese painting and table tennis
